

REGISTRASI PADA APLIKASI

Download telegram, kemudian buka menu pojok kiri atas kemudian klik profile , catat username

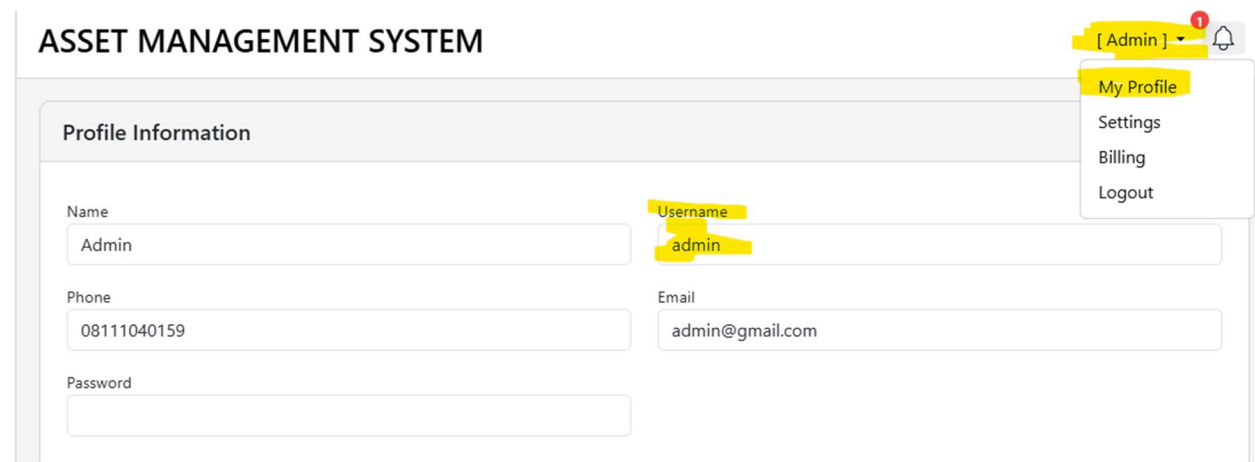

Masuk ke aplikasi maintenance, kemudian administrator akan mendaftarkan akun anda. Masukkan username sesuai dengan username di telegram, kemudian simpan

A registration form titled "User" with a light gray header. It contains six input fields arranged in two columns. The left column has fields for "Name" (containing "Admin"), "Phone" (empty), and "Role" (a dropdown menu with "Admin" selected). The right column has fields for "Username" (containing "admin"), "Email" (containing "admin@gmail.com"), and "Password" (empty). The "Username" and "admin" text are highlighted in yellow.

Atau masuk ke akun terkait dan klik menu profile di pojok kanan atas

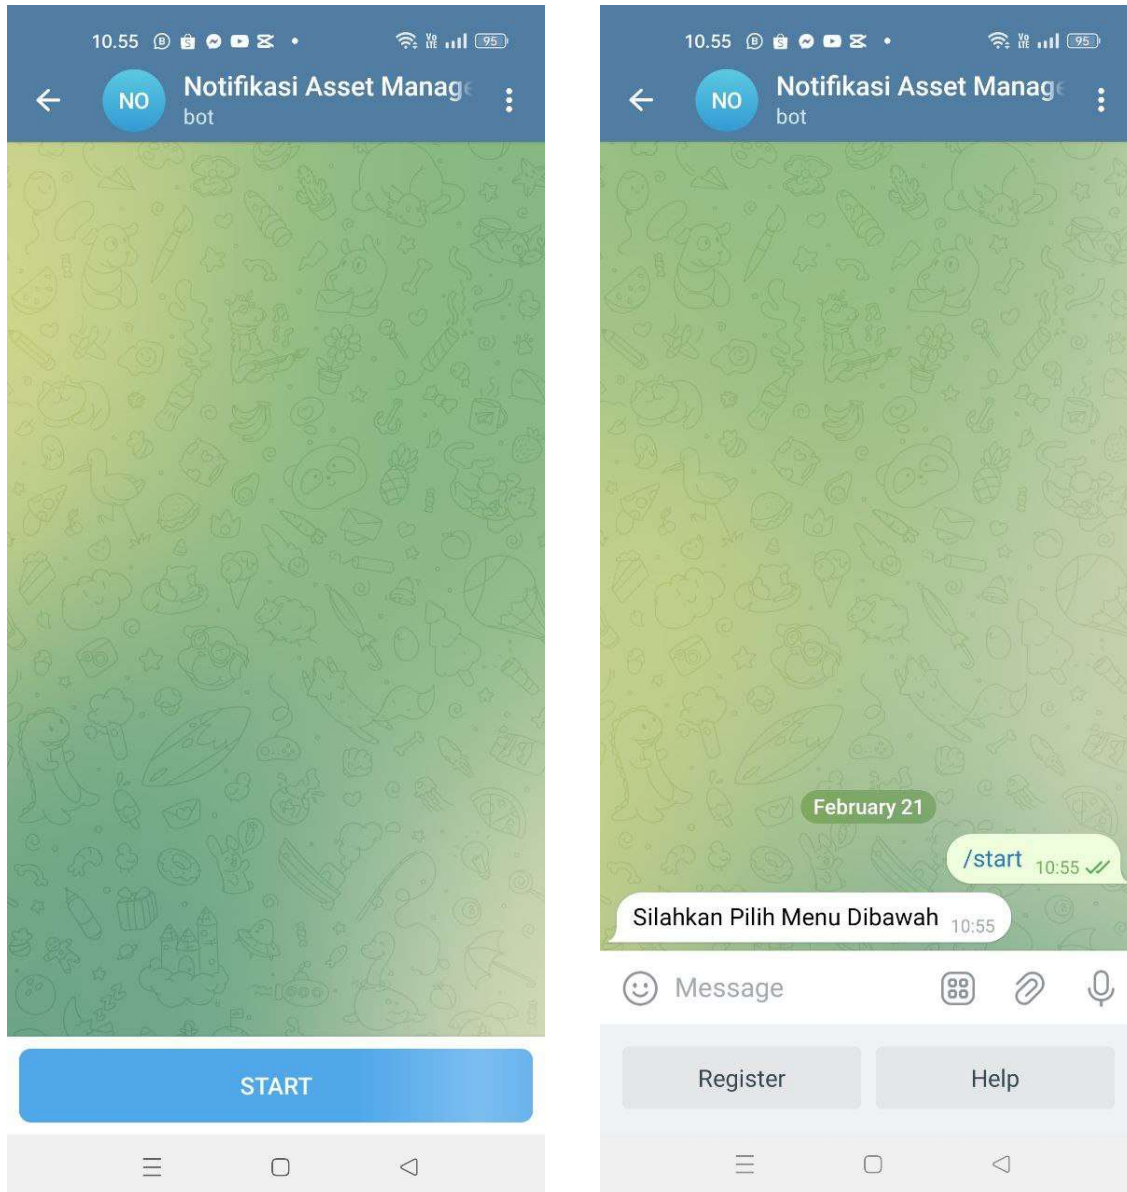

A user profile page titled "ASSET MANAGEMENT SYSTEM". At the top right, there is a user menu showing "[Admin]" with a dropdown arrow and a notification bell icon with a red "1". Below the menu is a dropdown list with options: "My Profile" (highlighted in yellow), "Settings", "Billing", and "Logout". The main content area is titled "Profile Information" and contains four input fields: "Name" (containing "Admin"), "Username" (containing "admin", highlighted in yellow), "Phone" (containing "08111040159"), and "Email" (containing "admin@gmail.com"). There is also an empty "Password" field at the bottom left.

Kemudian isi username sama dengan username di telegram kemudian simpan.
